SAYUMI PERERA

JUNIOR SOFTWARE ENGINEER | FULL-STACK DEVELOPER

078 654 3212 | sayumi@gmail.com | Sri Lanka | linkedin.com/in/sayumiperera

PROFESSIONAL SUMMARY

Motivated and detail-oriented Software Engineering graduate with hands-on experience building responsive web applications, REST APIs, relational databases, and internal business systems. Comfortable working across frontend and backend development, debugging production issues, collaborating with teams, and translating business requirements into clean, maintainable solutions. Strong interest in software engineering, cloud technologies, and DevOps practices.

TECHNICAL SKILLS

Frontend: React, Next.js, JavaScript, TypeScript, HTML5, CSS3, Tailwind CSS

Backend: PHP, Laravel, REST APIs, Node.js basics

Database & Tools: MySQL, Git, GitHub, Postman, VS Code, XAMPP

Other: Responsive UI, API integration, debugging, Agile teamwork, basic Azure & CI/CD concepts

EXPERIENCE

Software Engineering Intern | Nova Digital Solutions (Sample) Jan 2026 - Aug 2026

- Developed and maintained responsive web modules using React, PHP/Laravel, and MySQL, with emphasis on reusable components and clean UI behavior.
- Built and tested REST API integrations, validated requests using Postman, and resolved frontend/backend defects during QA cycles.
- Worked with Git-based workflows, participated in requirement discussions, and documented implemented features for handover and testing.

SELECTED PROJECTS

Project Management System | React, Laravel, MySQL

- Created modules for projects, tasks, daily updates, approvals, notifications, reports, role-based access, and calendar-related workflows.

Recruitment Management Portal | React, PHP, MySQL

- Built candidate and vacancy management features with form validation, database persistence, filtering, and an administrative workflow.

EDUCATION

BSc (Hons) in Software Engineering | Sample University / Institute, Sri Lanka 2022 - 2026

ADDITIONAL INFORMATION

Languages: English, Sinhala | **Strengths:** Problem solving, communication, teamwork, fast learning, attention to detail
